

HOW TO OBTAIN A TRACKING CERTIFICATE

This is not issued directly by FGASA

You will need to contact one of the tracking trainers / assessors listed on our website

1. You will need to do a Track & Sign Assessment

2. You will need to do a Trailing Assessment

3. Once you have been successful in both of the above, you will obtain your Tracker level

eg: Track & Sign 3 + Trailing 1 = Tracker 1

The Scout Tracking qualification is the highest tracker level obtainable with FGASA.

It is a combination of the FGASA SKS(DG) [Special Knowledge & Skills: Dangerous Game] and the Senior Tracker qualifications.
